

5 Zones Digital Mixer Amplifier with Mp3/TUNER/Bluetooth TI-120DTB TI-240DTB TI-350DTB TI-500DTB

- ▶ Rated power:120W,240W,350W,500W
- ▶ Standard rack mounted design(1U) with delicate SMT technology
- ▶ With Mp3/TUNER/Bluetooth, songs being played can be shown on the digital screen
- ▶ With MP3/TUNER/Bluetooth remote control function
- ▶ 1 EMC input, 2 AUX inputs, 4 MIC inputs
- ▶ Channel priority function EMC>MIC1>MIC2, MIC3, AUX1, AUX2
- ▶ Each input has independent volume adjustment, and the total volume has high pitch, bass adjustment and volume control
- ▶ With electrical level and overload protection indicator
- ▶ The device has good self-protection such as short circuit, overload and overheat
- ▶ Perfect combined design for high efficiency& energy saving switch power and class-D amplifier, with high stability
- ▶ Voltage Power Supply: 180V-240V
- ▶ Optional standby power supply 24V without delay for toggling pictures
- ▶ Output:100V, 4-16Ω

5 Zones Digital Mixer Amplifier with Mp3/TUNER/Bluetooth TI-B120DTB TI-B240DTB TI-B350DTB TI-B500DTB

- ▶ Rated power:120W,240W,350W,500W
- ▶ Standard rack mounted design(1U) with delicate SMT technology
- ▶ With mp3/TUNER/Bluetooth module, the digital screen displays the tracks currently played by USB
- ▶ With MP3/TUNER/Bluetooth remote control function
- ▶ 1 EMC input, 2 AUX inputs, 4 MIC inputs
- ▶ Channel priority function EMC>MIC1>MIC2, MIC3, AUX1, AUX2
- ▶ Each input has independent volume adjustment, and the total volume has high pitch, bass adjustment and volume control
- ▶ MIC1-4 balanced input with built-in 48V phantom power
- ▶ With electrical level and overload protection indicators
- ▶ EMC input can activate partitioning zones
- ▶ Perfect combined design for high efficiency& energy saving switch power and class-D amplifier, with high stability
- ▶ Optional standby power supply 24V without delay for toggling pictures
- ▶ Output:100V, 4-16Ω

1/2/4 Channel Class-D Power Amplifier T-1120DS T-1240DS T-1350DS T-1500DS T-2120DS T-2240DS T-2350DS T-2500DS T-4120DS T-4240DS T-4350DS T-4500DS

- ▶ Rated power:1*120W,1*240W,1*350W,1*500W
2*120W,2*240W,2*350W,2*500W
4*120W,4*240W,4*350W,4*500W
- ▶ Built-in high efficiency switching power supply
- ▶ Reasonable heat dissipation to maintain a working temperature lower than 55 degree
- ▶ With fault output function to remotely monitor the working state of amplifier
- ▶ Output: 100V, 4-16Ω

6 Zones Mixer Amplifier with Audio Sources TI-1206S TI-2406S TI-3506S TI-5006S

- ▶ Rated power:120W,240W,350W,500W
- ▶ 4 channel Mic inputs, 2 channel line inputs, separated treble and bass control
- ▶ 6 zones output, zone volume is independently controlled
- ▶ Built-in chime, the chime is optional, 4 tones and 2 tones (built-in), the alarm generator
- ▶ Mp3 decoder module supports USB / SD / Bluetooth /FM radio playback. Configuring MP3 remote control, support memory function without power input, MIC recording function
- ▶ Built-in 24V DC power input
- ▶ MIC1- 4 built-in 48V phantom power and independent control switch
- ▶ T-216 remote microphone can remote control zone output, the maximum cascade 6pcs Mic
- ▶ The audio input with separate control, tone control and master volume control
- ▶ There are five priority levels: EMC > TEL / REM
- ▶ MIC > built-in chime > MIC1 > MIC2-4, LINE1-2

4 Channel Matrix Mixer Amplifier with Mp3 T-4060MP T-4120MP T-4240MP

- ▶ Rated power:4*60W, 4*120W,4*240W
- ▶ Four channel amplifier in a 3U 19"rack mount design
- ▶ All source inputs could be matrix assigned to different 4 zones outputs simultaneously
- ▶ The 5 channel inputs & Mp3 input are designed with separate bass, treble and volume control
- ▶ Three microphone/line inputs with phantom power and gain control.
- ▶ Two aux inputs by RAC with gain control
- ▶ Mp3 player with SD and USB inputs, separate power supplied module
- ▶ Built in Tuner audio source
- ▶ One 4 zone remote microphone input by RJ45 port
- ▶ Four channel line inputs and speaker outputs

1/2/4 Channel Class-D Power Amplifier T-1120D T-1240D T-1350D T-1500D T-2120D T-2240D T-2350D T-2500D T-4120D T-4240D T-4350D T-4500D

- ▶ Rated power:1*120W,1*240W,1*350W,1*500W
2*120W,2*240W,2*350W,2*500W
4*120W,4*240W,4*350W,4*500W
- ▶ 1/2/4 channel class-D digital power amplifier, output: 100V
- ▶ The rear panel is equipped with a "ground" line suspension switch, which effectively eliminates the loop noise caused by the connection of the "ground" lines of multiple equipment signals
- ▶ 85% high efficiency amplifier, low power loss, low heat
- ▶ With European terminal balanced input and output
- ▶ Remote control of power-on function: remotely turn on the power of the machine, and disconnect the power of the machine when both functions are turned off at the same time
- ▶ Fault output function, remote monitoring power amplifier working state
- ▶ With 24V standby power inverter function, power amplifier with voltage limit, short circuit, overload, overheat protection

Audio Amplifier & Speaker

Tabletop Mini Bluetooth Amplifier with Mp3 T-B20 T-B40 T-B60 T-B120 T-B240

- ▶ Rated power:20W,40W,60W,120W,240W
- ▶ With 6.3 mic input and RCA line input, for different options
- ▶ MIC input, with independent volume control
- ▶ Line input with independent volume , and 1 EMC input
- ▶ With Auto playback for MP3 and power-off memory function
- ▶ With Bluetooth function
- ▶ With Tuner function also for 120W and 240W
- ▶ Priority : MIC 1 input prior to all other line inputs.
- ▶ Indicator light for power, signal, overload , protectionand and for 70V/100V output switch

Desktop Digital Amplifier with Audio Source T-120DM T-240DM T-350DM T-500DM

- ▶ Rated power:120W,240W,350W,500W
- ▶ Desktop design, exquisite SMT process design
- ▶ Support MP3/TUNER/Bluetooth remote control function, with remote control remote and the control distance can up to 8 meters
- ▶ It has USB interface and SD card interface, integrated MP3 player module, with automatic priority playing audio function, digital screen can display the currently playing track of USB
- ▶ Integrated Bluetooth module to support music playback via Bluetooth of the mobile phone
- ▶ Each input has independent volume adjustment, and the total volume has treble, bass adjustment and volume control function
- ▶ MIC1-4 balanced input, built-in 48 V phantom power supply
- ▶ Output:100V, 4-16Ω

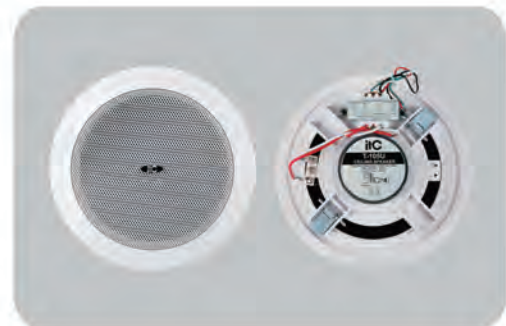

Class D Mixer Amplifier with Audio Source (Phone jack mic input) T-120DTB T-240DTB T-350DTB T-500DTB

- ▶ Rated power:120W,240W,350W,500W
- ▶ Standard cabinet design (1U), exquisite SMT process design
- ▶ Support MP3/TUNER/Bluetooth remote control function, with remote control remote and the control distance can up to 8 meters
- ▶ It has USB interface and SD card interface, integrated MP3 player module, with automatic priority playing audio function, digital screen can display the currently playing track of USB
- ▶ Integrated Bluetooth module to support music playback via Bluetooth of the mobile phone
- ▶ Integrated TUNER module with FM radio antenna port
- ▶ Output:100V, 4-16Ω

Class D Mixer Amplifier with Audio Source (Phoenix mic input) T-B120DTB T-B240DTB T-B350DTB T-B500DTB

- ▶ Rated power:120W,240W,350W,500W
- ▶ Standard rack mounted design (1U), SMT technology
- ▶ Support MP3/TUNER/Bluetooth remote control function, and the remote control distance is up to 8 m
- ▶ With USB interface and SD card interface, integrated MP3 player module, with automatic priority playing audio function, and digital screen can display the currently playing music of USB
- ▶ Integrated Bluetooth module to support to play music via Bluetooth mobile phone
- ▶ Integrated TUNER module, with FM radio antenna port
- ▶ Output:100V, 4-16Ω

Ceiling Speaker (1W-2W-3W-6W-9W) T-104U T-105U T-106U

- ▶ Built-in 100V/70V transformer
- ▶ In-ceiling type loudspeaker
- ▶ Metal grille & ABS baffle
- ▶ Spring clip fast installation

Outdoor Column Loudspeaker (5W-10W-15W-20W-30W-40W) T-701A T-702A T-703A T-704A

- ▶ Built-in 100V/70V transformer
- ▶ Weatherproof column type loudspeaker
- ▶ IP6 waterproof level
- ▶ Aluminum enclosure & grille in white
- ▶ A pair of metal mounting brackets are supplied

Weatherproof Horn Speaker(15W-30W) T-720A

- ▶ Built-in 100V/70V transformer
- ▶ Waterproof projector type loudspeaker
- ▶ Supreme longer distance dispersion horn speaker
- ▶ IP65 waterproof level
- ▶ ABS enclosure and metal bracket

Uni-directional Projection Loudspeaker(7.5W-15W) T-770

- ▶ Built-in 100V/70V transformer
- ▶ Waterproof projector type loudspeaker
- ▶ 6" full range speaker unit
- ▶ IP6 waterproof level
- ▶ Aluminum enclosure and metal bracket

Wall-mount Speaker (2.5W-5W-10W-20W-30W-60W) T-774H T-775H T-776H T-778H

- ▶ Built-in 100V/70V transformer
- ▶ Wall-mount type loudspeaker
- ▶ Metal grille, ABS enclosure and stainless mounting bracket

Fireproof Ceiling Speaker (1.5W-3.5W-6W-15W) VA-565 VA-575 VA-585

- ▶ 5"/6"/8" fireproof version ceiling speaker
- ▶ Economic range design for voice evacuation system
- ▶ Ceramic connector, thermal use and fire-resistant cable
- ▶ 5 power taps at 100V output
- ▶ All metal material design with fire dome
- ▶ Fast installation by spring clip
- ▶ Excellent response for background music and voice message
- ▶ EN54-24 certified
